DFD(Data Flow Diagram)

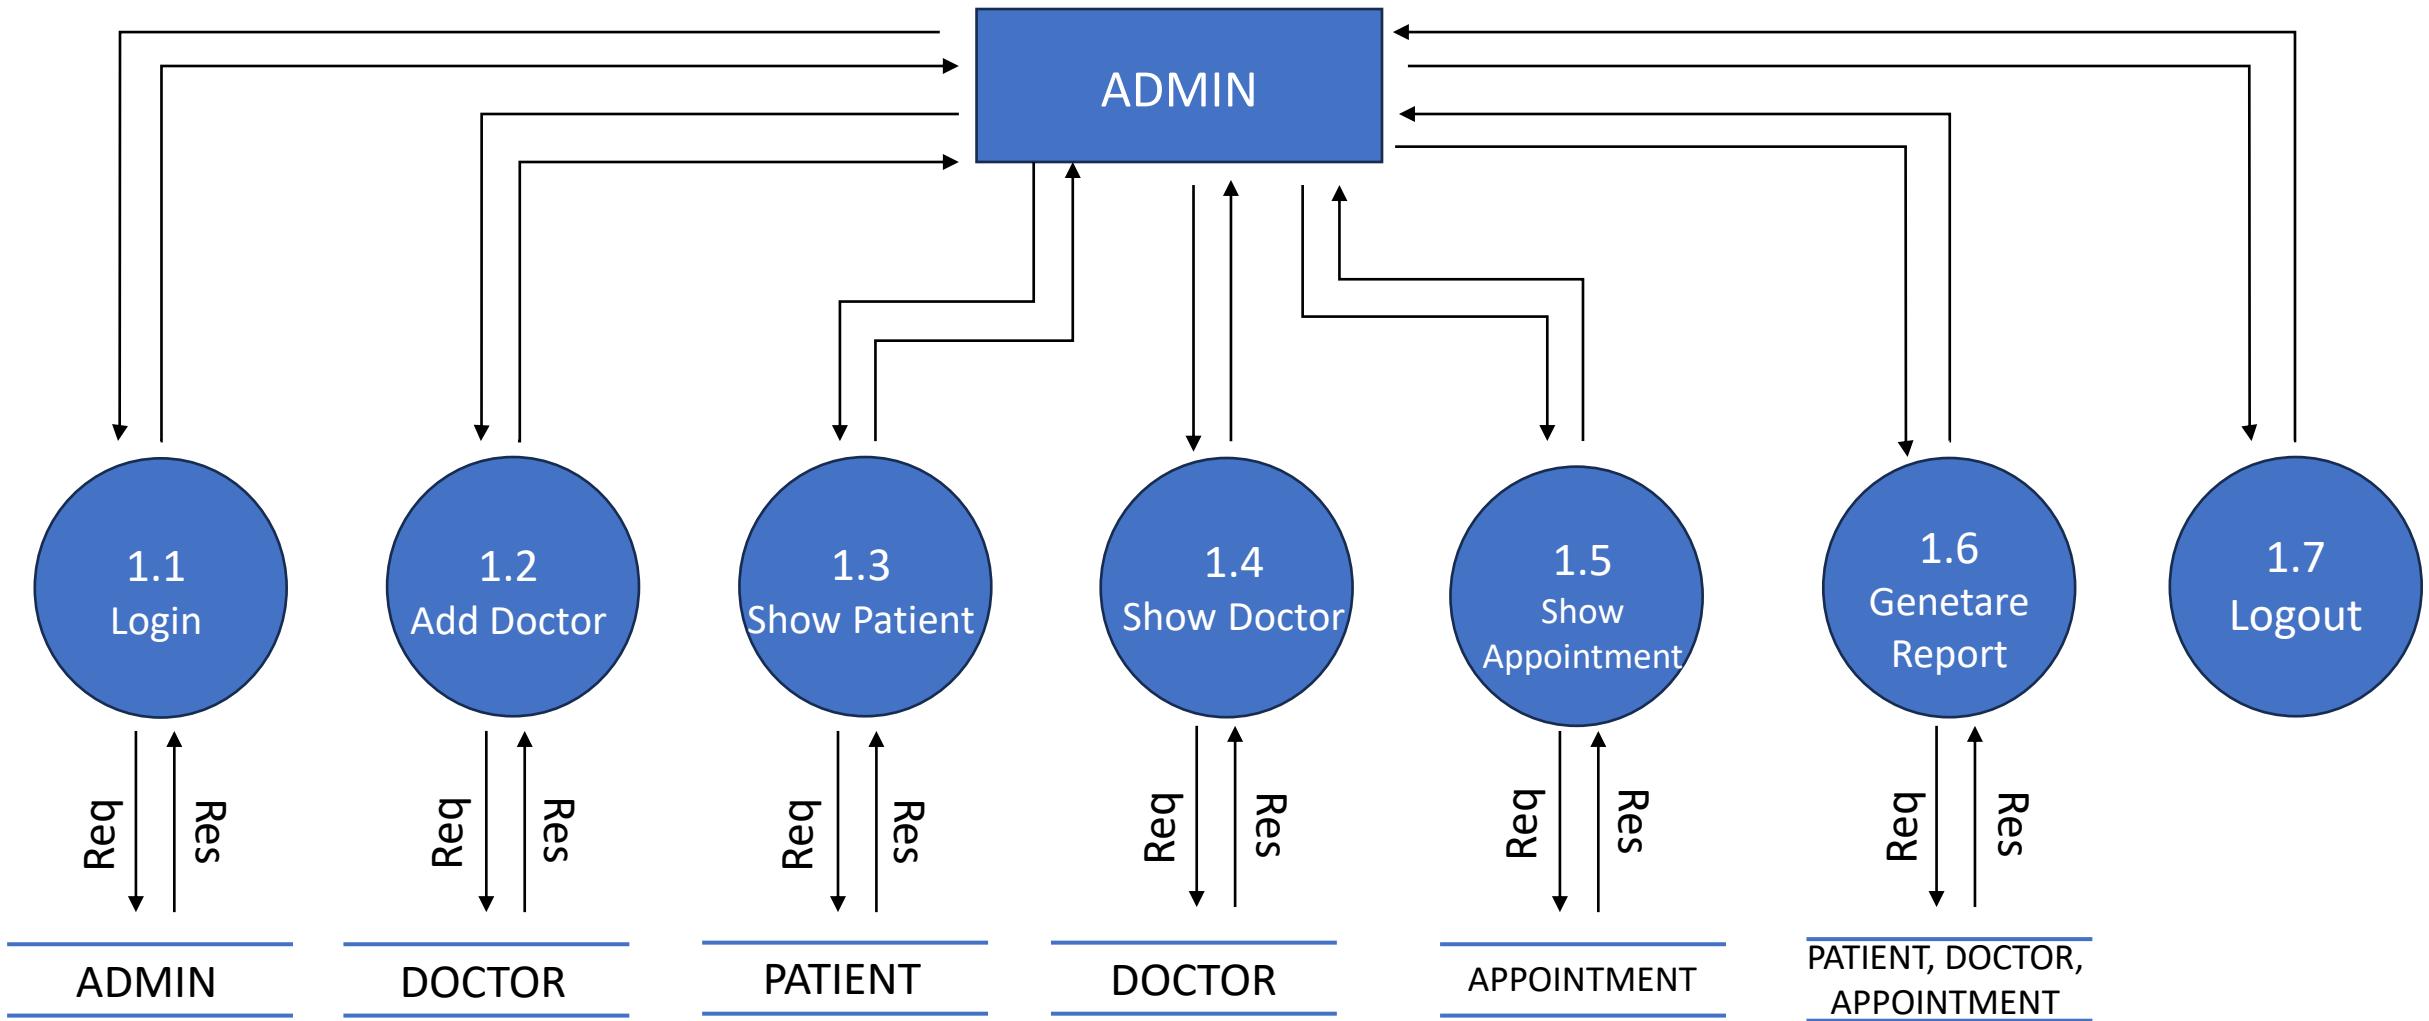

- A Data Flow Diagram (DFD) is a visual representation illustrating the flow of data within a system, showing how information moves from input to processing to output. It simplifies complex processes by highlighting data exchanges and transformations in a structured manner.

Context Level DFD :- Level-0

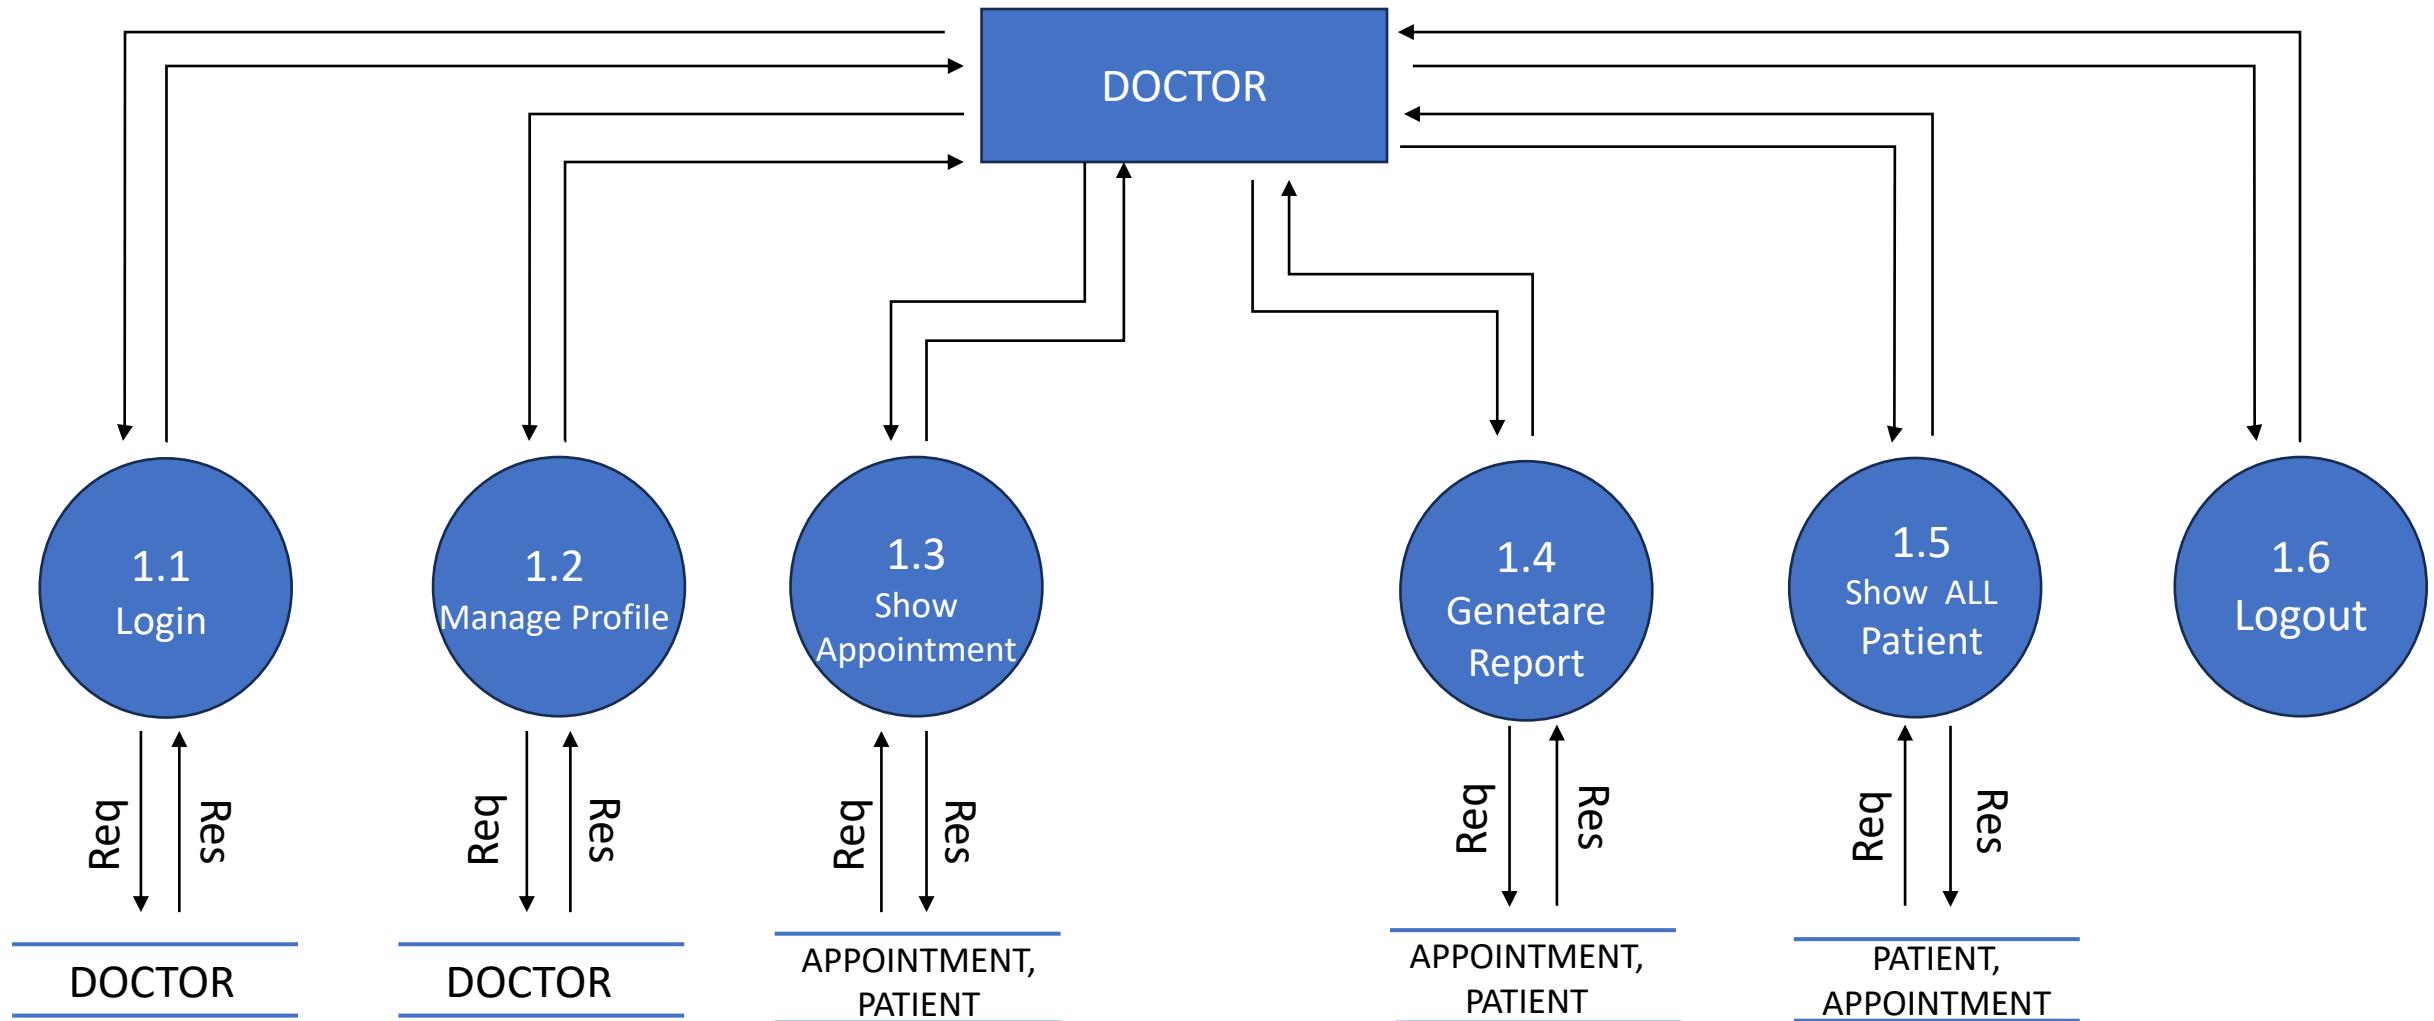

First Level DFD :- Level-1 (ADMIN)

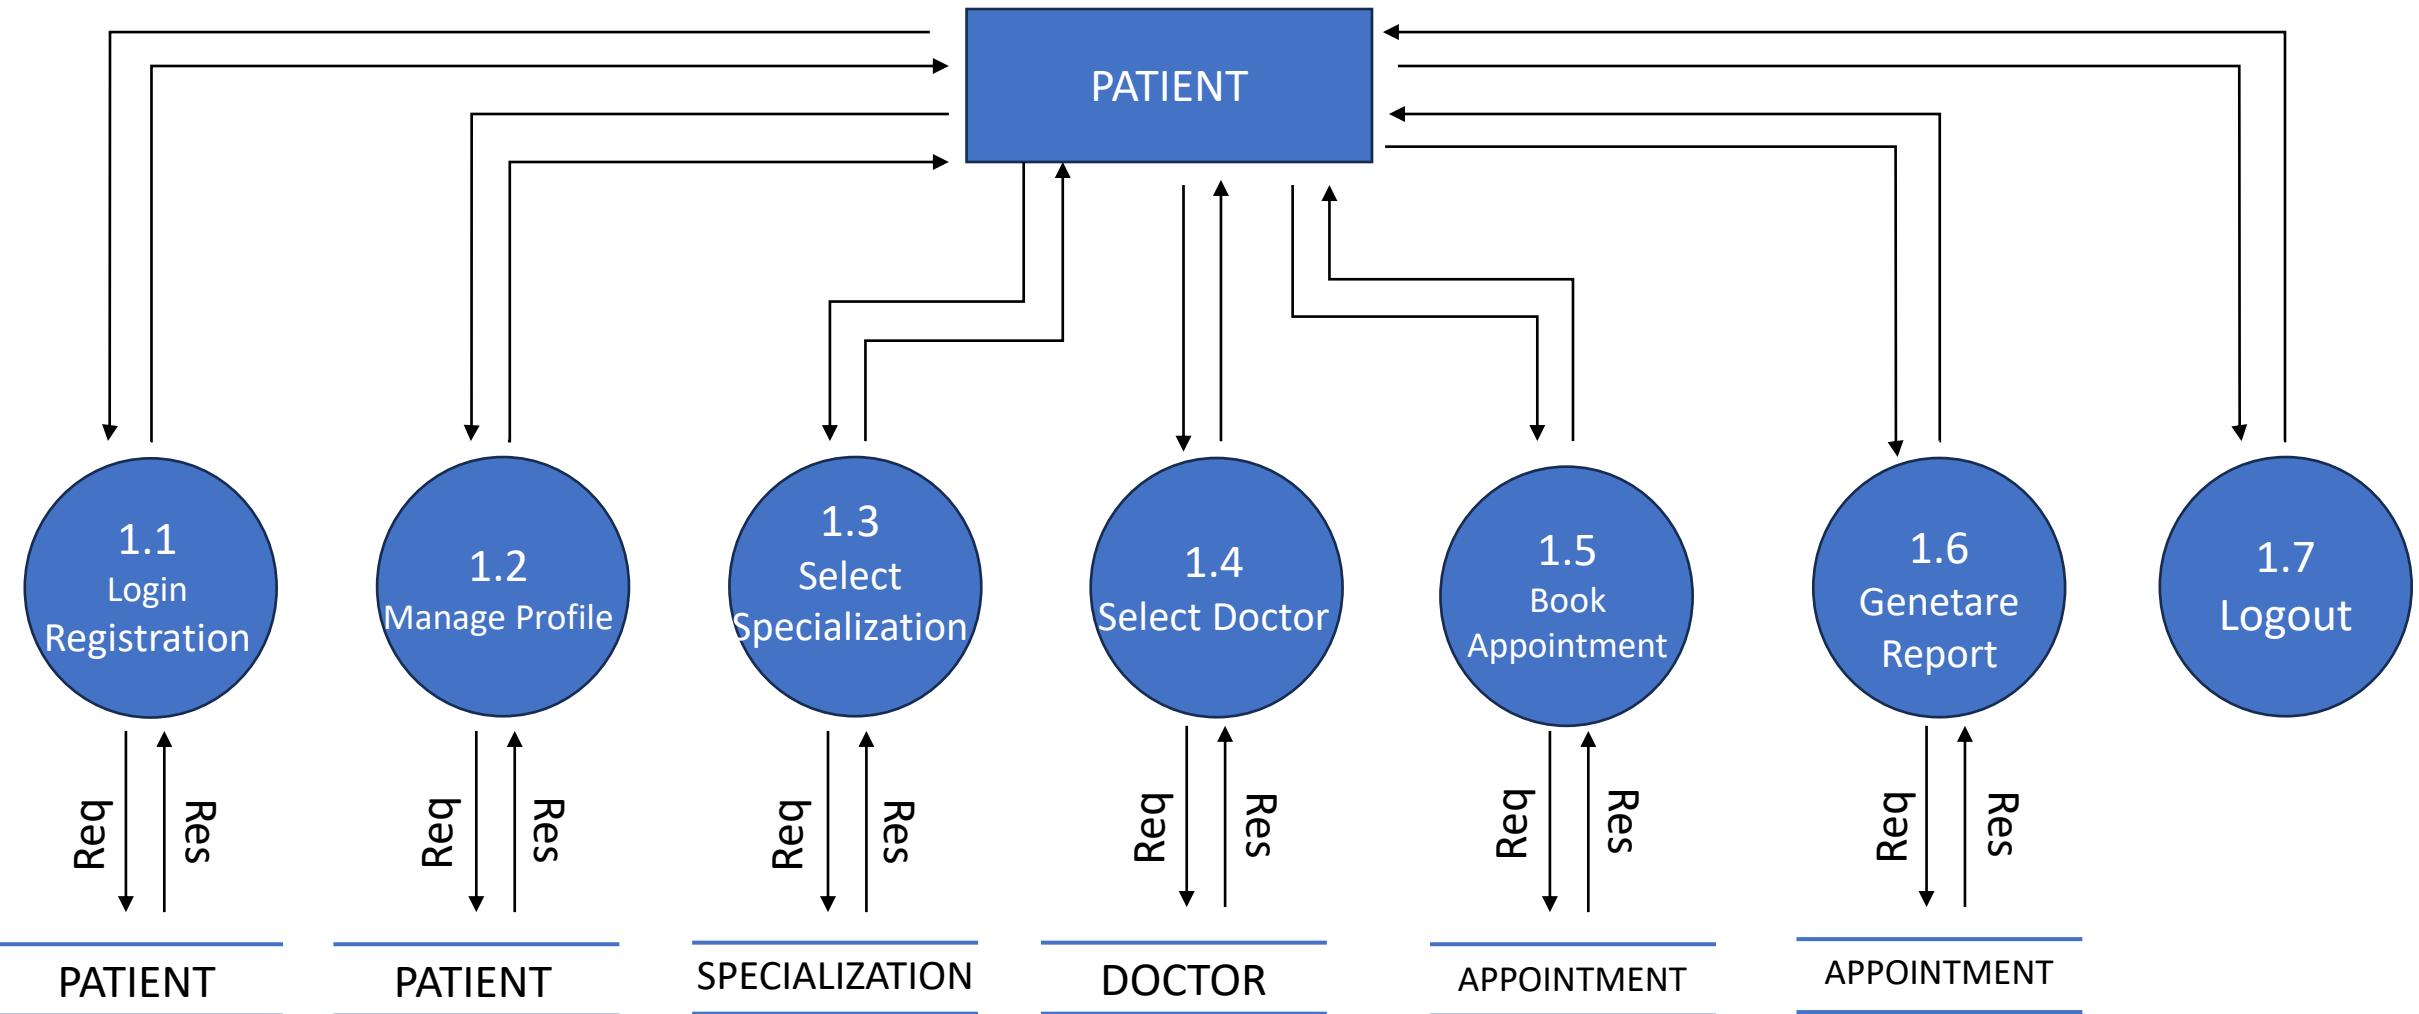

First Level DFD :- Level-1 (DOCTOR)

First Level DFD :- Level-1 (PATIENT)

Data Dictionary

- A data dictionary is a centralized repository that provides detailed descriptions of data attributes within a database or system, facilitating understanding and management of data elements and their relationships. It serves as a comprehensive reference guide for data structure, organization, and usage.

Specialization Table:-

Field_Name	Data_Type	Size	Constrain	Description
SID	INT	3	PRIMARY KEY	SPECIALIZATION ID
SPECIALIZATION	VARCHAR	35	NOT NULL	DOCTOR SPECIALIZATION

Admin Table:-

Field_Name	Data_Type	Size	Constrain	Description
AID	INT	3	PRIMARY KEY	ADMIN ID
APHOTO	LONGBLOB	-	NOT NULL	ADMIN PHOTO
ANAME	VARCHAR	25	NOT NULL	ADMIN NAME
APASSWORD	VARCHAR	20	NOT NULL	ADMIN PASSWORD
AEMAIL	VARCHAR	35	NOT NULL	ADMIN EMAIL
ALAST_PASSWORD_CHANGE	DATE	-	NOT NULL	ADMIN LAST TIME PASSWORD CHANGE
ANUMBER	INT	10	NOT NULL	ADMIN NUMBER
AADDRESS	VARCHAR	50	NOT NULL	ADMIN ADDRESS

Doctor Table:-

Field_Name	Data_Type	Size	Constrain	Description
DID	INT	3	PRIMARY KEY	DOCTOR ID
DPHOTO	LONGBLOB		NOT NULL	DOCTOR PHOTO
DNAME	VARCHAR	35	NOT NULL	DOCTOR NAME
DPASSWORD	VARCHAR	20	NOT NULL	DOCTOR PASSWORD
DEMAIL	VARCHAR	35	NOT NULL	DOCTOR EMAIL

STATUS	BOOLEAN	-	NOT NULL	APPOINTMENT APPROVE OR NOT
FEEDBACK	VARCHAR	100	NULL	PATIENT REVIEW

ER Diagram (Entity Relationship Diagram) :-

- An Entity-Relationship (ER) Diagram is a visual representation illustrating the entities, attributes, and relationships within a database system, aiding in the design and understanding of data structures and connections. It uses symbols to depict entities as rectangles, attributes as ovals, and relationships as lines connecting them, facilitating database schema design and communication between stakeholders.

Interface Design

- Interface design is the process of creating visually appealing and user-friendly layouts for digital platforms or applications, enhancing user interaction and experience.

Home

The screenshot shows the homepage of the Get_Doctors website. At the top, there is a dark header bar with the title "Home". Below it is a navigation menu with links for "Home", "About", "Departments", "Doctors", "Feedback", "Gallery", and "Contact". A "Login / Registration" button is also present. The main content area features a large, light blue banner with the heading "Welcome To Get_Doctors" and the subtext "Your Gateway to Seamless Healthcare Access.". Below this is a blue call-to-action button labeled "GET STARTED". To the right of the banner is a large image of medical equipment, including a stethoscope and tablets. On the left side of the main content area, there is a blue box containing the heading "Why Choose Get_Doctors ?" and a detailed paragraph about the platform's mission. To the right of this are three white boxes representing different medical departments: "Dermatology" (with a sun icon), "Cardiology" (with a heart icon), and "Psychiatry" (with a brain icon). Each department box contains a brief description of its services.

Welcome To Get_Doctors

Your Gateway to Seamless Healthcare Access.

GET STARTED

Why Choose Get_Doctors ?

Get Doctor" bridges the gap between patients and healthcare providers, offering a seamless digital platform for booking appointments and accessing medical services. With a user-friendly interface, it empowers individuals to find, connect, and consult with qualified doctors efficiently.

Dermatology

Radiant Skin, Confident You: Unveiling Beauty with Dermatology.

Cardiology

Empowering Hearts, Saving Lives: Your Partner in Cardiac Care Excellence.

Psychiatry

Unlocking Minds, Healing Souls: Your Path to Mental Wellness.

About

The screenshot shows a web browser window for 'Get_Doctors' with the URL 'sa/Home.php'. The page features a navigation bar with links for Home, About (which is underlined), Departments, Doctors, Feedback, Gallery, Contact, and Login / Registration. Below the navigation is a large image of three healthcare professionals: a female doctor in white scrubs holding a clipboard, a male doctor in a white coat with a stethoscope around his neck, and a male nurse in blue scrubs. To the right of the image, the word 'About' is displayed in a large, bold font. A detailed paragraph follows, describing the company's mission to transform healthcare access. Below this, three sections are listed: 'Vision' (with an eye icon), 'Team' (with a person icon), and 'Technology' (with a computer icon). Each section includes a brief description of its respective focus.

About

Get Doctor is on a mission to transform the way people access healthcare. Our platform serves as a seamless bridge between patients and healthcare providers, offering convenient booking and access to a network of trusted professionals. With a commitment to reliability and quality care, we prioritize patient satisfaction above all else. Join us in our journey to revolutionize healthcare access and make a positive impact on lives worldwide.

Vision

Our vision is to revolutionize the way healthcare is accessed and experienced, empowering individuals to take control of their health journey with ease and confidence.

Team

Our diverse team of healthcare experts, technologists, and entrepreneurs is dedicated to driving positive change in the healthcare industry, leveraging technology to improve patient outcomes and experiences.

Technology

At Get Doctor, we leverage cutting-edge technology and rigorous vetting processes to ensure that patients have access to the highest quality healthcare services and providers at their fingertips.

Feedback

The screenshot shows a web browser window for 'Get_Doctors' with the URL 'sa/Home.php'. The page features a navigation bar with links for Home, About, Departments, Doctors, Feedback (underlined), Gallery, Contact, and a 'Login / Registration' button. The main content area has a blue header bar with the word 'Feedback'. Below it, a message reads: 'Get Doctor, we value your feedback to continuously improve our services. Your satisfaction is our priority, and we strive to exceed your expectations. Share your experiences with us to help us better serve you and others in our community.' To the left is a photo of a smiling man with arms crossed, and to the right is a testimonial for 'ketan'.

Get Doctor, we value your feedback to continuously improve our services. Your satisfaction is our priority, and we strive to exceed your expectations.
Share your experiences with us to help us better serve you and others in our community.

ketan

Dr. Kevin provides exceptional care with profound expertise, fostering a comfortable and trusting patient-doctor relationship.

Gallery

The screenshot shows a web browser window for the 'Get_Doctors' website. The title bar reads 'Get_Doctors' and 'sa/Home.php'. The address bar says 'Not secure'. The main content area features the 'Get_Doctors' logo at the top left, followed by a navigation menu with links: Home, About, Departments, Doctors, Feedback, Gallery, Contact, and a 'Login / Registration' button. Below the menu is a section titled 'Gallery' with a descriptive paragraph: 'Get Doctor, explore our gallery showcasing our modern facilities and compassionate care environment. See firsthand the comforting spaces where healing begins, and discover the warm, welcoming atmosphere we offer to all our patients.' The main visual area contains eight images arranged in a grid, illustrating various medical and healthcare settings: an operating room, a lab technician working with a centrifuge, a scientist in a lab coat, a surgeon performing surgery, a female doctor in a mask, a dental professional, a large medical scanner (Symbia), and another operating room scene.

On the left, there's a sidebar with user profile information (sahil, sahilpatel78@gmail.com) and navigation links: Log out, Dashboard, Add Doctor (which is currently selected), All Patients, All Doctors, and All Appointments. The main content area is titled "Add Doctor" and contains various input fields for adding a new doctor. The fields include Name (Nisarg), Email (nisarg123@gmail.com), Mobile Number (1234567890), Date of Birth (20 - Jan - 1990), Specialization (Psychiatry), Gender (Male), consultation Fees (500), and Experience Years (3). A date picker icon is visible next to the Date of Birth field. The top right corner of the browser window shows "Today's Date 2024-05-10".

Name: Nisarg

Email: nisarg123@gmail.com

Mobile Number: 1234567890

Date of Birth: 20 - Jan - 1990

Specialization: Psychiatry

Gender: Male

consultation Fees: 500

Experience Years: 3

Add Doctor Scroll up

The screenshot shows a web application interface for managing doctors. On the left, a sidebar lists navigation options: Dashboard, Add Doctor (which is currently selected), All Patients, All Doctors, and All Appointments. The main content area is titled "Add Doctor Scroll up". It contains the following form fields:

- Email: nisarg123@gmail.com
- Mobile Number: 1234567890
- Date of Birth: 20 - Jan - 1990
- Specialization: Psychiatry
- Gender: Male
- consultation Fees: 500
- Experience Years: 3
- Qualification: MBBS
- Address: Deesa
- Password: (redacted)

At the bottom, there are two buttons: "Reset" and "ADD". The browser address bar shows the URL: sa/php/admin/adddoctor.php.
